# Family Ministries

Arkansas True Vision

*Children's Homes* 

Free Will Baptist Family Ministries, based in Greenville, Tennessee, has been caring for hurting children and families for over 80 years. What began as an orphanage in 1939 has expanded into a multi-faceted and diverse ministry. Family Ministries serves pregnant teens and young women, infants, toddlers, adolescents, teens, senior citizens and families with programs in Tennessee, Virginia and Arkansas. Family Ministries is nationally accredited through CARF (Commission on Accreditation of Rehabilitation Facilities) as a service provider. This signals our commitment to continually improving services, encouraging feedback, and serving the community. Due to the tremendous needs, especially in Western Arkansas, Family Ministries established a separate not-for-profit corporation called Arkansas True Vision Children's Homes. This organization serves abused and neglected children in the care of the Division of Children and Family Services (DCFS) providing emergency and long-term care for up to sixty or more children on a 24/7 basis.
